

International Conference Perspectives on the Human Being and Society 13th edition, 2017

CONFERENCE OBJECTIVES

The International Conference *Perspectives on the Human Being and Society* 2017 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of Art, Humanities and Sciences in correlation with scientific interests in the current global economic environment. It also provides the premier interdisciplinary and multidisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in all the field of Arts, Humanities and Sciences in correlation with scientific interests.

CALL FOR SUBMISSIONS

We encourage you to contribute to and help shape the conference through paper submissions. For the technical research track, we invite high quality submissions of papers describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Arts, Humanities, Social and Sciences in correlation with own scientific interests. The conference solicits contributions of full-length papers, short papers and posters, address the themes and topics for the conference, including figures, tables and references of novel research material. Please review the submission and formatting instructions carefully. Submissions that do not comply with the instructions and size limits will be rejected without review.

CONFERENCE PROCEEDINGS

All submitted conference papers will be blind peer reviewed by two competent reviewers. The conference proceedings CD, aiming ISSN, and certificate of presentation will be distributed to the conference participants at the registration desk. The papers should respect paper template and have no more than 10 pages. The conference proceedings will be indexed in the REPEC, DOAJ, SSRN, Directory of Research Journals Indexing, Academic Resource Index, Google Scholar.

SPECIAL JOURNAL ISSUES

The International Conference Perspectives on the Human Being and Society 2017 has teamed up with the Special Journal Issue on Advances in Arts, Humanities, Social and Sciences (as Theorhema, Symposion, Psihopedagogia copilului, etc.). A number of selected high-impact full text papers will also be considered for the special journal issues. All submitted papers will have opportunities for consideration for this Special Journal Issue. The paper selection will be carried out during the peer review process as well as at the conference presentation stage. Submitted papers must not be under consideration by any other journal or publication. The final decision for paper selection will be made based on peer review reports by the Editorial team jointly.
